Objective

Motivated and detail-oriented Computing student with hands-on experience in 3D image annotation and a strong foundation in Python, JavaScript, Java, and C++. Eager to contribute to real-world AI and software development projects, with a keen interest in machine learning and automation.

Experience

CloudFactory, *3D image Annotator*

January 2025 – Present

- Collaborate on Buildots project to feed high-quality annotated data to AI systems.
- Follow strict annotation guidelines to ensure data consistency and accuracy.
- Coordinate with QA and data teams to refine annotation workflows and improve tooling.

Education

2020 – 2022

Trinity International College A Levels in Science

Jan 2024 – Sep 2027

Leeds Beckett University BSc (Hons) Computing

Skills

Programming Languages: Python, JavaScript, Java, C++   Version Control: Git, GitHub

Time Management, Problem-solving, Attention to Detail   Web Development: HTML, CSS, React

Team Collaboration, Communication Skills
